Join On Line

We now have an online application! This is a two-step process.

First, [click here](#) to register on the site. Registering does not automatically make you a member of TNG.

Second Go to the TNG Members Page and click on "add entry ". Enter your own information, upload an image of your business card, and pay for your membership to the chapter of your choice.

YOU MUST COMPLETE BOTH STEPS AND SUBMIT PAYMENT TO BE ADDED TO THE SITE AND BECOME A MEMBER.

Once payment is submitted and your entry is reviewed for content by our site administrators, your entry will be approved and published.

Pay ON Line / Mail or Fax Application

You can now mail or fax your application and pay online! Please use the same email address to pay with as you enter on the application. [Click here](#) to download a copy of the membership application. Pay with the link in the upper right of the window.

Once you have entered all your information and paid your annual TNG Member dues via our on line PayPal system, your new account and listing will be reviewed by our administrative / web staff and published for public viewing.

Choosing a Category and Chapter

Each TNG Member is allowed to be in TWO (2) business categories for each TNG Chapter they join and for which they pay annual dues. When completing your online application, be sure you choose only TWO categories and that they are BOTH in the same Chapter. Applications with categories from different chapters will not be posted until the TNG admin staff can confirm proper member placement for Chapter you join.

If you do not see a category that represents your business, complete the application process and email Categories@TangerineNetworkingGroup.com and request a new category! We will make every effort to make sure members can find your business!
